# Australian Doctors in Recovery

## 15<sup>th</sup> Annual Convention

**Novotel Manly Pacific  
Hotel**  
**Sydney Australia**

**March 26<sup>th</sup> - 28<sup>th</sup>, 2010**

**www.ausdocsinrecovery.org**

## Who are we?

Australian Doctors in Recovery (ADR) is a fellowship of doctors in Australia who are in recovery from addiction to alcohol and/or other drugs. We are part of a world-wide community of recovering doctors and maintain close ties with IDAA and BDDG. Every March we hold an annual conference for recovering doctors in Australia and from abroad.

## You and your family are invited!

Come and spend three days of fun in the sun at our 15<sup>th</sup> annual convention (ADR15) at Novotel Manly Pacific Hotel on Manly Beach in Sydney. Day 1 consists of the Addiction Medicine Academic Day. Details will be on our website. Day 2 and 3 brings a personal and spiritual atmosphere with 12-step meetings with step, topic, speaker and discussion meeting modes. An AI Anon meeting will be held if there are enough participants. Each night is topped off by a delightful dinner. The conference will conclude with a relaxing afternoon having fun on Manly Beach- surf, snorkel, sun and sand. The weather? Always a perfect 28 degrees Celsius. The conference is open to recovering doctors and their families, and the Academic Day on Friday is open to public attendance in our aim to foster accurate public knowledge of addiction and recovery.

## Accommodation

Special accommodation rates are available at Manly Pacific Hotel; delegates should make reservations directly with the Hotel (phone +61 2 9977 7666 or [www.novotelmanlypacific.com.au](http://www.novotelmanlypacific.com.au)) and mention you are attending ADR.. Delegates should also organise their own flights and other transport.

## Registration fees

Register by the day or for the whole conference . Evening meals not included, except Saturday night Conference Dinner which needs to be booked separately if not booking the whole conference.

More info is available at [www.ausdocsinrecovery.org](http://www.ausdocsinrecovery.org).
